To whom it may concern:

I am writing to express my strong support for Supreme Athletics' (SUPA) proposed Youthplex of Chatham County. This initiative represents a valuable investment in our community's youth, as the requested funds will support the development of a comprehensive, community-based sports facility.

Supreme Athletics is committed to offering athletic programs that empower young people to explore and grow their athletic abilities. Strategically located in Chatham County—a region experiencing rapid growth—SUPA is poised to become a vital hub for youth development. The planned facility will include hardcourts, multi-purpose turf fields, educational centers, and community meeting spaces, creating an environment that fosters both physical activity and social engagement.

In partnership with Chatham County Schools and the Chatham County Parks and Recreation Department, Supreme Athletics is ensuring that the Youthplex remains accessible and inclusive. Beyond recreational benefits, the Youthplex is positioned to stimulate local economic development, support educational programming, and enhance the overall health and well-being of youth across the region. Please give their application all due consideration.

Sincerely,

Valerie P. Foushee
